Rtn. Yadab Pradhan

Dear readers:

This month we have been blessed by the visit of our DG Rtn Yogendra Man Pradhan and we are all inspired by his kind words which have energized us to get involved more actively in Rotary services. We thank him and accompanying District Secretary Rtn. Mahendra Rajkarnikar for their precious time with us.

This is the month of membership extension and we should all try our best to bring-in new member Rotarians to join our campaign to fulfill the mission of providing services to others, promote integrity and advance world understanding, goodwill and peace. It is our duty to let our new members enjoy their partnering with us as well as encourage and help retain the existing members through Rotary fellowship. It is also a time to rejoice for the award from Rotary International for the achievement being the highest Membership Retention rate in District 3292during 2011-2012.

Welcome! to all new members of our club.

As a new member, you'll get a chance to become more involved in our community and to provide aid to other parts of the world through the opportunities that our Rotary club and Rotary International offer.
Longtime Rotarians agree that involvement is the key to getting the most out of membership. Volunteer to serve on a committee that meets your interests, to be a greeter for weekly club meetings, or to join a service project team. These activities will help you get to know your fellow club members and better understand the work of Rotary. Good luck and all the best to you all.

Congratulations!!!
